Deluxe Rib

Deluxe Rib is a heavy duty, indoor or outdoor entrance mat. It is used recessed in entrances or lifts or loose laid in entry ways or lobbies in Commercial buildings, schools and shopping centres.

- Coarse, bi-level ribs ensure a powerful scrub to remove dirt and debris from footwear.
- Deep channels between ribs traps the dirt and debris scraped from footwear inside the mat, preventing it from being walked onto the floor.
- High absorbing polypropylene surface dries shoes quickly.
- Hardwearing fibres give the mat a long lifespan.
- Can be un-edged for mat recesses or edged for loose laying.
