- 3-year warranty
- No minimum order
- Size variation: +/- 1.5%
- Unlimited colour options
- Optional fabric protection available at extra cost

CONSTRUCTION

- Material: high-twist Polyamide 6.6
- Pile weight: 1200 g/m²
- Pile height: approx. 8 mm
- Backing: nitrile rubber, approx. 1.5 mm thick
- Backing finish: gripper or smooth
- Overall mat height: approx. 9.5 mm
- Overall weight: 3000 g/m²
- Border thickness: approx. 2.0 mm
- Water absorption: approx. 3 litres/m²

PRINTING PROCESS

- PMS colour-matching process to ensure colour accuracy and vibrancy
- Colour injection through carpet pile down to the mat backing
- Artwork guidelines – acceptable vector file formats include:
 - EPS
 - PDF
 - CDR
 - AI

SYSTEM INSTALLATION

Unroll the mat and roll the edges down - these will relax over time and lay flat.

Ensure the substrate is clean from dirt and debris.

CARE & MAINTENANCE

Birrus Branded mats are suitable for machine washing, dry-cleaning or simply hosing down.
